NOTE SHEET

LAW DEPARTMENT

The Hon'ble Court have directed for examination as to whether the institutions which are members of Petr-Association had the infrastructure facilities for imparting such course and as to whether as a matter of fact, students completed their course in those schools. The Hon'ble Court have then said that on getting affirmative answers, Govt. may consider while taking into account as to whether any prior approval or affiliation was necessary of any University or Board for imparting such course.

In view of above, it is for the A/D to take up the exercise in consonance with the directives.

Sir,

I am directed to invite reference to the subject cited above and to say that Hon'ble High Court, Orissa has passed orders in W.P. (C) No. 10372/2008 filed by "All Orissa Private Secondary Training Schools Management Association" that Govt. may consider allowing such students to appear in C.T. examination as private candidates. While considering thus , Govt. should also take in to account as to whether prior approval or affiliation was necessary of the Board of Secondary Education for imparting such course. The permission is to be given to the students who had taken admission during 1988-89 and 1989-90.

I would , therefore, request you to please intimate if prior approval or affiliation of the Board of Secondary Education is necessary for imparting training to C.T. students of Private Secondary Training Schools to enable them to appear in the C.T. examination.

An early reply is solicited.

Yours faithfully,
